So many coincidences... what are the odds?

As simple as it gets. President Trump tweets exactly what Q posted hours earlier. [#Q316](#)

Presidents typically receive jerseys with the number of their presidency.

President Trump forgoes the traditional presidential number "45" with the number "17" instead.

How many coincidences before it becomes mathematically impossible?

President Trump, who loves tradition, requests "17" on these jerseys, but not 45? Also see [#Q40](#)

Included in IG report is testimony pointing to 13 Obama officials using private emails and pseudonyms (to avoid scrutiny & subvert FOIA law). Q communicated this nearly 5 months before it was made public.

From OIG Report (June 14, 2018)

⁷⁵ FBI analysts and Prosecutor 2 told us that former President Barack Obama was one of the 13 individuals with whom Clinton had direct contact using her Clintonemail.com account. Obama, like other high level government officials, used a pseudonym for his username on his official government email account. The analysts told us that they questioned whether Obama's email address (combined with salutations that revealed that the emails were being exchanged with Obama) or other information contained in the emails were classified and, thus, sent the emails to relevant USIC agencies for classification review. However, they stated that the USIC agencies determined that none of the emails contained classified information.

FBI agent Peter Strzok willing to testify before **Congress**

Peter Strzok, the FBI agent who was removed from special counsel Robert Mueller's team of investigators looking into Russian interference in the 2016 election, says he is willing to testify before Congress. Strzok played a key role in the Clinton email investigation and was one of Mueller's top deputies before he was reassigned following the discovery of anti-Trump text messages he exchanged with another FBI official.

A spokesperson for Zuckerman Spaeder LLP, the law firm representing Strzok, confirmed to CBS News that he would be willing to testify without immunity before any congressional committee and would not plead the fifth in response to any questions. The Washington Post first reported Strzok's willingness to testify.

Strzok had a leadership role in both the Clinton email probe and the early phase of the Russia investigation. New revelations about his communications during the 2016 campaign came to light Thursday in the Department of Justice's inspector general report about the Clinton email investigation. Strzok has been a frequent target of President Trump and his allies, who argue his conduct was part of a concerted effort on the part of the FBI and DOJ to damage the Trump campaign.

#Q1288 predicts Peter Strzok will cooperate about 6 weeks before it is announced that Peter Strzok will cooperate.

2018 Hawaii false missile alert

From Wikipedia, the free encyclopedia

https://en.wikipedia.org/wiki/2018_Hawaii_false_missile_alert

On **January 13, 2018**, a false ballistic missile alert was issued via the [Emergency Alert System](#) and [Commercial Mobile Alert System](#) over television, radio, and cellphones in the U.S. state of [Hawaii](#). The alert stated that there was an incoming ballistic missile threat to Hawaii, advised residents to seek shelter, and concluded "This is not a drill". The message was sent at 8:07 a.m. local time. However, no [civil defense outdoor warning sirens](#) were authorized or sounded by the state.

A second message, sent 38 minutes later, described the first as a "false alarm". State officials blamed a miscommunication during a drill at the [Hawaii Emergency Management Agency](#) for the first message. Governor [David Ige](#) publicly apologized for the erroneous alert, which caused panic and disruption

I believe there was a serious effort on the part of people more senior than you to remove Mr. Trump from office out of fear of what this Administration may uncover. I believe you are being dishonest in your answers and frankly shocked you agreed to come here today. I believe everyone on this panel (minus those from the other side of the aisle) knew exactly what your answers would be and if you think we are going to sit here and accept these answers you would be a fool. We are also following the facts and once we uncover more (which we will) we will act accordingly. I'm glad you retained counsel - you'll need one and hopefully they are very good."

Peter Strzok was questioned behind closed doors on Capitol Hill on Wednesday.

The embattled, anti-Trump FBI agent attempted to explain his vehement bias against President Donald Trump.

Freedom Caucus member, Rep. Ron DeSantis (R-FL)-who was also in attendance-told SaraACarter.com, "It was a waste—Strzok is full of it and he kept hiding behind [the] classified information excuse."

Not suggesting SA is clean by any means but they play a role in this global game of RISK.

Combine all posts and analyze.
The questions provide answers.
Remember, information is everything, the flow of information is no longer controlled by the MSM but by you/others.
Hence, why we are dedicating 'critical' time to distribute crumbs which can be followed in greater detail to paint the entire picture once more information is released.
Why has POTUS dedicated so much time into labeling the MSM as fake news?
Why is this relevant?
We are fully prepared that all social media will be shut down to prevent the spread of this information (i.e. POTUS' Twitter etc. and/or mass censoring).
Sealed Federal orders pre-submitted as prevention and masked as 'in general' (though that does not account for rogue agents/programmers within).

The image shows a comparison between a tweet posted by Donald J. Trump and a deleted version of the same tweet. The original tweet, posted at 11:30 AM on April 10, 2018, contains the text: "Very thankful for President Xi of China's kind words on tariffs and automobile barriers...also, his enlightenment on intellectual property and technology transfers. We will make great progress together!". The deleted tweet, posted at 10:51 AM on the same day, contains the text: "Very thankful for President Xi of China's words on tarrifs and automobile barriers...also, his enlightenment on intellectual property and technology transfers. We will make great progress together!". A red box highlights the word "tariffs" in the original tweet and "tarrifs" in the deleted tweet. A red arrow points from a box labeled "tariff spelled wrong" to the "tarrifs" in the deleted tweet. Another red arrow points from a box labeled "tariff corrected" to the "tariffs" in the original tweet. A red line connects a box labeled "RR problems." in a chat log to the "tariff corrected" box. The chat log shows a conversation on April 9, 2018, and April 10, 2018, with the text: "RR problems.", "Tuesday. Demand. Xi. Confirm tariff reduction. Tuesday (China). Cars. Article provides foundation. Major import. Ford. US. Start. Q". Below the chat log, the hashtags "#qanon", "#thestorm", "#NODEALS", and "#futurePROVESpast" are listed in red text. A "39 min time difference (est)" label is placed between the two tweets.

Q predicts a deleted RR Tweet and a Tweet about China with Q's exact talking points for Tuesday. Trump confirms all comms that Q posted w/ one tweet.

The Saudi Crown Prince discloses that the purpose of Jared Kushner's trip was to provide classified intel enabling the Saudi purge.

EXCLUSIVE: Saudi crown prince bragged that Jared Kushner gave him CIA intelligence about other Saudis saying 'here are your enemies' days before 'corruption crackdown' which led to torture and death

- Saudi crown prince Mohammed bin Salman met with Jared Kushner in October
- Salman has since bragged about using classified intelligence from Kushner as part of a crackdown on 'corrupt' princes and businessmen in Saudi Arabia
- He said the intelligence from Kushner included information on those who were disloyal to Salman and who were his 'enemies', insiders tell DailyMail
- Kushner's attorney's spokesman said it was 'false' that the president's son-in-law passed on secrets and that he was 'well aware of the rules'
- The crown prince launched his crackdown on corruption in November, days after he met Kushner for talks in Riyadh
- Hundreds were rounded up, including princes from rival parts of the Saudi royal family and some of the country's wealthiest businessmen
- But the crackdown saw accusations of torture and at least one reported death

The **7th Floor Group** was a group of top US State Department officials who met regularly on the 7th floor of the Harry S. Truman Building in Washington, DC. The FBI referred to the group as a "shadow government" inside the State Department, which briefly attracted the attention of commercially-controlled media.^[1] The group appears to have formed around Hillary Clinton, although no direct evidence has yet emerged to tie her to the group. Most if not all remaining members had their employment terminated on 17 February 2017.^[2]

President Trump's Military Parade Confirmed on Veteran's Day in Washington DC

By Red Pill | 03-10-2018 News

Photo credit: Credit: Wikimedia Commons

The President of the United States of America is a proud leader of this great and patriotic nation - in which he has honored the brave men and women of our Armed Forces in more ways than any previous President in modern history - and that's now been confirmed yet again with a military parade to support America's finest.

The Pentagon has issued a memorandum which outlines the blueprints for the parade, which is said to include period uniforms, and a complete airshow that will showcase American-made planes of every branch of the Armed Services, but leaves out the usage of tanks to avoid any damage to the infrastructure in Washington, DC.

Another keynote of the parade is that it's said to be held on Veteran's Day in the nation's capital, which has long-since been desired by the Trump Administration since President Trump was able to see France's Bastille Day parade while visiting President Macron.

Democrats, of course, have criticized the President for numerous reasons when he's prior suggested such a parade be held, showing their complete and utter disregard of the patriotic heroes who risk their lives for our freedom.

Inside the memo addressed to the Chairman of the Joint Chiefs of Staff on Thursday, the Pentaho outlined the initial guidance on how President Trump's parade on November 11th will operate.

Another aspect of the parade will be to integrate with the annual Washington DC Veteran's Day parade, and focus on the heroic contributions of American Veterans from various important eras including the Revolutionary War, the Civil War, both World Wars, and extend into today "with an emphasis on the price of freedom."

The bravery on display from those who volunteer to risk their lives to defend Old Glory and the American Constitution, the Bill of Rights, and the values which make America the greatest country on the face of the earth, deserves the highest quality of respect from our citizens, and President Trump has promised to showcase the strength of this country's military and the honorable service of those who are within the ranks.

North Korean leader Kim Jong Un visiting several Singapore attractions on Monday night

SINGAPORE - North Korean leader Kim Jong Un is spending his second night in Singapore on a mini tour that includes some of the Republic's best-known sights such as Gardens by the Bay and the Marina Bay Sands (MBS) integrated resorts.

At around 9.10pm on Monday (June 11), his motorcade was seen leaving the St Regis Hotel in the Tanglin area where his delegation is being housed at, before driving past the Raffles City area towards Marina Bay.

Mr Kim, who arrived in Singapore on Sunday ahead of his historic summit with United States President Donald Trump in Sentosa on Tuesday, stopped by Gardens by the Bay first and is expected to also visit the MBS SkyPark or the nearby Merlion Park.

At around 8pm, the observation deck of the 57th-storey sky park at the MBS, which offers panoramic views of Marina Bay and the central business district, was closed off to the public, ahead of its usual 10pm timing.

MBS staff were seen polishing fingerprints off the glass panels of the observation deck. The Straits Times also saw a heavy security presence comprising MBS personnel and police officers.

Mr Kim, who is North Korea's Chairman of the State Affairs Commission, may also visit other sights such as the Esplanade performing arts centre.

The mini-city tour will cap a rather quiet public schedule for Mr Kim on Monday, compared to his officials and Mr Trump.

Apart from a meeting with Singapore's Prime Minister Lee Hsien Loong at the Istana on Sunday evening, Mr Kim has not been seen stepping out of the St Regis hotel in Orchard Road where he and his delegation are being housed at.

In contrast, Mr Kim's officials were seen earlier on Monday meeting with Singapore and American officials - making courtesy calls or engaging in last-minute talks over the one-day summit.

Mr Trump met PM Lee and also members of the American community in Singapore.
